Who gets a dividend?

Everyone who was an AECT income beneficiary on 8 August 2010. Income beneficiaries are people, community groups and businesses who pay Vector Electricity line charges (included in your power bill regardless of who your power company is) in Auckland City, Manukau City and the northern part of Papakura. The beneficiary is the person with their name on the power bill – so in a rental property this is usually the tenant. For a more detailed explanation of who qualifies as a Trust beneficiary check out our Q&As at aect.co.nz

Can I change the name on the cheque?

No. The dividend cheque is not transferable, so you can't change it in any way or transfer it to another person. It must be deposited in a bank account in the same name as shown on the cheque. If you don't have a bank account in that name you can have your dividend credited to your power bill instead. See the form attached to the cheque to find out how.

Why haven't I got my direct credit or power account credit yet?

Payments were made on 17 September 2010. If you were expecting a direct credit, check that the bank account shown on the letter is right – call us ASAP if it isn't. If your account number is correct but you haven't received your dividend please contact your bank as it may be in a bank holding account (UPI). Credit to power accounts will show up on your power bill, but how long this will take depends on your power company's billing cycle.

They fixed it – and won tickets!

Earlier in the year we invited AECT beneficiaries to switch to safe and simple direct credit dividend payments. Everyone who did – or simply sent back the entry form – went in the draw to win four tickets to an event at Vector Arena, courtesy of Vector. Our lucky winner was Elly Dowman of Mt Eden and she is taking friends to see Blondie and the Pretenders. Congratulations Elly!

The AECT dividend: if you live in our district, you get it!

There are plenty of great things about living in Auckland. If you're lucky enough to live in the Auckland Energy Consumer Trust district (take a look at the map – but if you received this in the mail, you do!) there's one more: your AECT dividend. We've sent you this leaflet along with your dividend notice because AECT beneficiaries like you have told us they want to know more about the AECT, what it does, and where the dividend comes from.

The AECT is run by elected Trustees. Your current Trustees are Left to right: Michael Buczkowski (Deputy Chairman), William Cairns, Karen Sherry, Warren Kyd (Chairman), James Carmichael.

Why you get an AECT dividend: the short and simple version

The AECT owns most of Vector, so when Vector makes an annual profit most of it comes to us. Because we're a consumer trust, almost all of that money is paid to electricity customers like you.

The more detailed version

The Auckland Energy Consumer Trust owns 75.4% of Vector – one of New Zealand's most innovative infrastructure companies. We own this asset on behalf of our beneficiaries: electricity customers living in Auckland City, Manukau and part of Papakura (the old Auckland Electric Power Board district).

The two main benefits to you are our power pole undergrounding partnership (you can read more about this at aect.co.nz/undergrounding) and the dividend.

Here's how the dividend works: if Vector makes a profit, our 75.4% shareholding means most of it comes to us. Our Trust Deed means that other than administration costs we pay everything to our beneficiaries as a dividend.

For the last couple of years this has meant a payment of \$320 to every electricity customer in our district. We're happy to say it's \$320 again this year, despite having more beneficiaries than ever before. Looked at another way, that's about \$100 million dollars a year into the Auckland economy.

Your dividend is tax-paid – but you could be entitled to a refund

We're required by law to deduct tax from your dividend and pay it to the IRD. See the letter that came with your dividend cheque for more details.

Got a question? We've got the answers.

If you don't see an answer to your question here, you'll find plenty more at aect.co.nz. And if you want to ask your Trustees a question face to face, you're very welcome to come along to our Annual Meeting. (Details are on the back of this brochure.)

Vector: Auckland owned and proud of it

Since Vector is majority owned by the AECT, for the benefit of Aucklanders like you, it's only fair you know a little more about what it does. Since it was established, Vector has gone from strength to strength, investing in infrastructure businesses from electricity metering to wind farms. The most exciting development though has been its fibre optic network. Over the last few years Vector has laid high speed fibre through much of the Auckland and Wellington CBDs, making it one of New Zealand's most experienced fibre optic network operators. This year they're bidding to use that experience to help deliver on the government's promise to provide ultra fast broadband to New Zealanders. You may have seen Vector's "short straw" advertising campaign. If you want to know more about this exciting opportunity for Vector – and its majority owners the AECT – take a look at fibretothedoor.co.nz.

Vector: 75.4% AECT owned and making sure Aucklanders don't get the short straw on broadband.

About your dividend payment

- The AECT dividend is paid to the person named on the power bill at 8 August 2010. It cannot be transferred to another person.
- CHEQUE: If you cannot bank the cheque, send it back with the letter that came with it and we will pay the money to the power account.
- CREDIT TO POWER ACCOUNT: The dividend was paid as a credit because you requested it or that's how it was paid to you last year. Please allow a few weeks for the dividend payment to show up on your power bill. Next year you can request a cheque or direct credit when we send out the update forms.
- DIRECT CREDIT: The dividend was paid to the account number shown on the letter. If this number is not correct, call 0508 AECT INFO (0508 232 846). If you requested a direct credit but received a cheque it means we could not process your direct credit this year. Next year you can request a direct credit when we send out the update forms.
