WHO GETS A DIVIDEND?

Everyone who was an AECT income beneficiary on 8 August 2012. Income beneficiaries are people, community groups and businesses who pay Vector Electricity line charges (included in your power bill regardless of who your power company is) in the Trust district of Auckland, Manukau and the northern part of Papakura. The beneficiary is the person with their name on the power bill – so in a rental property this is usually the tenant. For a more detailed explanation of who qualifies as a Trust beneficiary check out our Q&As at aect.co.nz

CAN I CHANGE THE NAME ON THE CHEQUE?

No. The dividend cheque is not transferable, so you can't change it in any way or transfer it to another person or name. It must be deposited in a bank account in the same name as shown on the cheque, otherwise it will be dishonoured by the bank. If it is in a different name, don't worry; simply have your dividend credited to your power bill instead. See the form attached to your cheque to find out how.

IS THE DIVIDEND AMOUNT ALWAYS THE SAME?

No. The dividend amount depends on Vector's results each year.

WHY HAVEN'T I GOT MY DIRECT CREDIT OR POWER ACCOUNT CREDIT YET?

Payments were made on 26 September 2012. If you were expecting a direct credit, check that the bank account shown on the letter is right – call us ASAP if it isn't. If your account number is correct but you haven't received your dividend please contact your bank as it may be in a bank holding account (UPI). Credit to power accounts will show up on your power bill, but how long this will take depends on your power company's billing cycle.

GET THE THINGS YOU LOVE
WITH YOUR AECT DIVIDEND

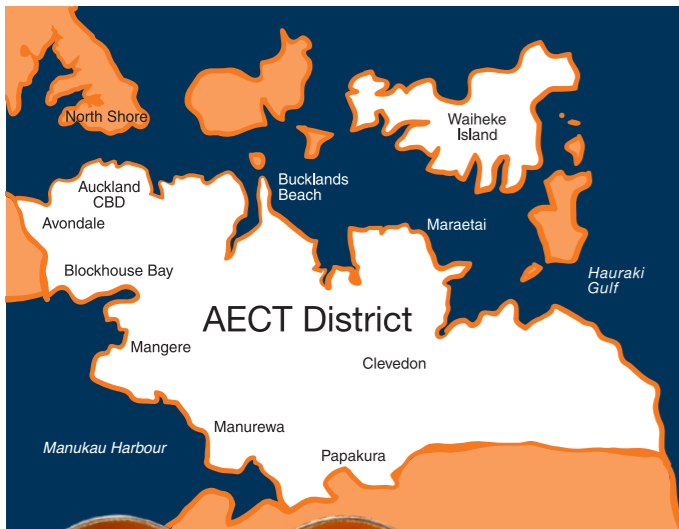

GET THE THINGS YOU LOVE WITH YOUR DIVIDEND

We hope you enjoy your 2012 dividend from us, your local energy trust. This year, you'll receive \$320 in the hand, and the Auckland economy will get \$100 million. So go on, get out there and pick up that must-have for the family, pay bills, or get that thing you've been dreaming of on your wishlist. Whatever you do – please try to support your local economy.

And remember, it doesn't matter which electricity retailer you're with. All retailers include the Vector lines charges in their power bill, and because you're lucky enough to live in the Trust district, and pay Vector lines charges – you get the dividend.

Enjoy.

IF YOU LIVE HERE, YOU GET THE \$320 AECT DIVIDEND

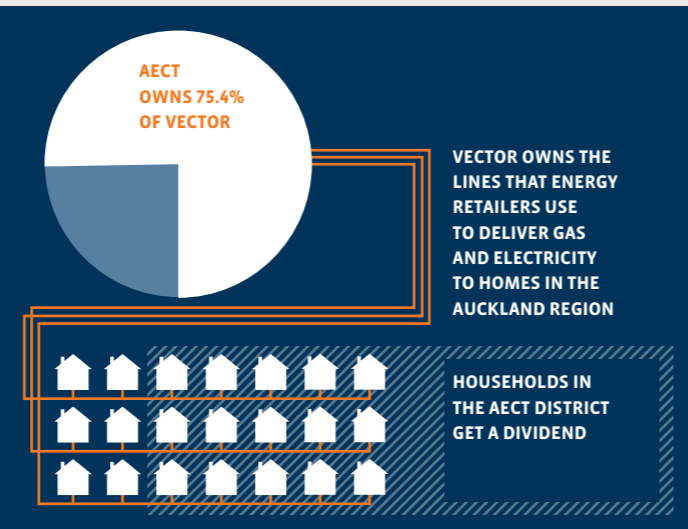

WHY YOU GET AN AECT DIVIDEND?

A major benefit of the AECT owning 75.4% of Vector is that the Trust gets a share of the dividend paid by Vector every year. And that then is shared with Trust beneficiaries (that's you) in the form of the AECT dividend.

Vector is one of New Zealand's most innovative multi-infrastructure companies. The AECT majority owns this asset locally on behalf of electricity customers living in the Trust district of Auckland, Manukau and northern Papakura.

The Trust Deed means that other than administration costs we pay everything to Trust beneficiaries as a dividend. For the last couple of years this has meant a payment of \$320 to every electricity customer in our district. We're happy to say it's \$320 again this year, despite having more Trust beneficiaries than ever before. You can find out more about the Trust, our history and our majority-ownership of Vector at aect.co.nz

NEED TO KNOW MORE?

If you don't see an answer to your question here, you'll find plenty more at aect.co.nz. And if you want to ask your Trustees a question face to face, you're very welcome to come along to our annual meeting. (Time and place are on the back).

THE AECT HAS ELECTED TRUSTEES

Your current Trustees are left to right: James Carmichael, Warren Kyd, William Cairns (Chairman), Karen Sherry and Michael Buczkowski (Deputy Chairman).

HERE ARE A FEW REASONS TO LOVE AECT

The AECT or Auckland Energy Consumer Trust exists and operates on behalf of its beneficiaries and is the major shareholder in Vector. When Vector pays AECT a dividend, we then pay our beneficiaries.

Just as importantly, AECT ensures local ownership, a stable supply of electricity and gas to the region, and a real Auckland voice when it comes to important infrastructure decisions. You can find out more about the Trust at aect.co.nz

THE REASON AECT INVESTS IN VECTOR

Vector is more than an electricity company. It's one of New Zealand's largest infrastructure companies. It owns a portfolio of businesses and operates electricity, gas and fibre optic networks around the country. These networks cater for over 1 million Kiwis.

Vector is a successful, profitable company, which distributes part of that profit to its shareholders as a dividend every year. As the major shareholder, AECT receives the biggest share of that dividend.

ABOUT YOUR DIVIDEND PAYMENT

- The AECT dividend is paid to the person named on the power bill at 8 August 2012. It cannot be transferred to another person.
- CHEQUE: If you cannot bank the cheque, send it back with the letter that came with it and we will pay the money to the power account.
- CREDIT TO POWER ACCOUNT: The dividend was paid as a credit because you requested it or that's how it was paid to you last year. Please allow a few weeks for the dividend payment to show up on your power bill. Next year you can request a cheque or direct credit when we send out the update forms.
- DIRECT CREDIT: The dividend was paid to the account number shown on the letter. If this number is not correct, call 0508 AECT INFO (0508 232 846). If you requested a direct credit but received a cheque it means we could not process your direct credit when we send out the update forms.
